

## Remembrance Day Observance at St. Kevin's

Ten members of St. Kevin council 13881 dressed in suits and sashes served at the wreath laying ceremony during the offertory procession at the regular 11:00 Mass at St. Kevin's Parish on Sunday, November 10, 2019 to commemorate Remembrance Day. The Mass was celebrated by St. Kevin's Parish administrator Father Savarimuthu Yesappan with assistance provided by assistant Father Herbert Schulz. The patriotic mission of the Order was exemplified during the first world war by the Knights' work, particularly that

involving K of C recreation centers — known as “huts” — that were set up near training areas and the front lines to offer soldiers some comforts of home. These centers, staffed by men known as “Caseys,” supported those who bore the burden of war. Holding all of it together was this simple motto: ‘Everybody welcome. Everything free.’

# K of C Annuities Can Help Secure Your Retirement

When we want to invest, most of us rely on the brochures our bankers put before us. We see calming and assuring scenarios in the brochures. Before long, we're convinced that our future is paved with gold. The pie charts and graphics tell us we cannot lose. We sign over our portfolio to some unknown manager to look after things in our best interests while our funds are placed in their hands, their money markets and their mutual funds.

However, most of us, when we first invest, don't realize all of our options for protecting our funds. The Knights of Columbus offers annuities that do exactly that.

Our agents in Québec work in a tough market with strong competition. What makes the Knights of Columbus unique is that we offer competitive products, backed by an organization that upholds Catholic values and supports Catholic causes.

## What's an annuity plan?

An annuity is a retirement savings product. You make contributions, and, after a specified amount of time, the annuity pays you a regular income stream.

Retirement annuities help you ensure that you have enough money to live on in retirement. Retirement annuities provide security and peace of mind that people of all ages and financial circumstances can benefit from.

## What types of annuities can I get with the KofC?

The Knights of Columbus offers a variety of annuity plans for you and your family. Our annuity plans can be customized so that you can select the best options to fit your retirement needs.

In Canada, we offer Registered Retirement Savings Plans (RRSPs) and Tax-Free Savings Accounts (TFSAs). A special hybrid life insurance and retirement annuity product, Registered Retirement Savings Plan Single Premium Whole Life Insurance Policy, is also available in Canada.

A K of C annuity is steady and secure. It is a product that we can believe in.
